Usually at this time of the year, the days are longer and the snow conditions are still excellent. Therefore, we recommend to our (future) members to take advantage of this excellent offer. This event is an excellent opportunity to spend an unforgettable week in one of the most magnificent places in the Swiss Alps.

There are many nice skiing slopes and full bus services are available to the ski lifts of St Moritz as well as the center of St Moritz.

To benefit from the special rates, a minimum of 20 persons including participants and family members, should stay for a period of week (7 days minimum) in the hotel.

---

**Full denture course:** Prior to the meeting of the Gerber Dental Philosophy, a **4-day course on the “Gerber Full Denture System” will be held as well (26-29 March) (with one patient)**. The official language is English and the course will be given by Dr Michael Kirk from Sheffield, together with Max Bosshart. Both Mike and Max have worked together and given many courses organized at the dental office of Dr Mike Kirk in Sheffield.

Those dentists and technicians who are Interested can apply at the Gerber-Condylator service in Zürich: [gerber@condylator.com](mailto:gerber@condylator.com), Fax: +41 44 481 83 42.

Participants will benefit from the same conditions as the participants of the “Gerber Dental Philosophy”. The price for the course includes the fees to participate to the Gerber Dental Philosophy meeting.
